# THE PARTNERSHIP

GREATER BURLINGTON PARTNERSHIP NEWSLETTER - VOL. 104 NO. 08

## A letter from Jeremy Hess Director of Economic Development

### A WORD FROM THE HIRED GUNS

by Jeremy Hess

As we navigate this time of leadership transition in the “post-Della” era, I thought it would be good to give you an encouraging word from the staff that is both dedicated and capable of keeping everything rolling ahead successfully during this busy summer period. As I write this, we are staring down the barrel of two outstanding back-to-back weekends where we will welcome and host roughly 40,000 people to the Greater Burlington area. Our team isn’t anxious about the task, we are just glad to be able to do it together, as we showcase our community.

By the time you read this, Amy Moyner, Executive Director of Downtown Partners, will have fearlessly led the charge to welcome over 12,000 people into our bustling downtown district for A Very Vintage Market. The Greater Burlington Partnership team and our many volunteers will have transformed downtown into a showcase for both businesses and vendors. Our guests and local residents alike will have enjoyed an experience that will keep them coming back for more. You guessed it.... “It’s Happening!”

Because 12,000 people isn’t nearly enough to satisfy this crew, the Team will rally just seven days later to welcome about 22,000 RAGBRAI riders from all over the world to town. As you read this, the dust will have settled, and countless cars, buses, and tours from all over the world full of potential future visitors will have experienced a community and staff that is committed to showing the best Greater Burlington has to offer. Chris Gram, Executive Director of Convention & Visitors Bureau might need a little oxygen, but with his leadership, the Team had clear direction, and our visitors had a great experience. Kaylea Felland, Program Coordinator, continues to welcome visitors and coordinate Viking Drockings.

Telisha Fedele, Melissa Jones, and Mac Holford are tag-teaming Chamber events, and have the annual Chamber Golf Classic sold out and ready to go. The team knows who, what, where and when to make it the best outing ever! On top of all that our team meets regularly to make sure we are on par for our Partnering for the Future initiatives. An aggressive yearly goal of 250 Business Retention & Expansion (BRE) visits was set, and we hold each other accountable to see to it that we reach that goal before the end of the year.

Brenda Levitt keeps our newsletters and other materials going out with excellence as always. Crystal Jolin is settled in and keeping the financial ship in tip-top condition, Dustin Roth continues to take our winning community message to the world around us with excellence. On top of it all, Pam Wright at the front desk keeps us organized and helps out anywhere she can.

What I hope you are getting from this is that it’s full steam ahead with the business at hand here. It’s serious business and we all know it. While we look forward to a new President/CEO - fear not that your team is wandering aimlessly. We’ve got this... together.

## ON THE COVER

### CHAMBER OF COMMERCE GOLF CLASSIC

For the past 24 years, volunteers have come together to plan a successful Chamber of Commerce Golf Classic. Annually, the Golf Committee starts the planning process in the spring and works to secure donations for golfer goodie bags and prizes. The committee works to put an enjoyable spin on the event each year, with fun activities such as the putting contest, \$100 winner every 100 minutes, and "Pay for a Pro." Plus two new contests this year, Hole-in-one and Chipping! The committee also helps with the contests throughout the day, including set up and tear down. The Golf Committee volunteers are the reason the event is successful each year.

The Chamber of Commerce Golf Classic began in 2000 with the idea of a fun-filled day where members could invite clients or reward employees with an afternoon of golf. This event is a favorite and teams are typically sold out early. Be on the look-out this fall for the opportunity to secure team reservations for 2025.

# ANNOUNCING THE DESTINATION GREATER BURLINGTON GRANT

GREATER BURLINGTON  
CONVENTION & VISITORS BUREAU  
A DIVISION OF THE GREATER BURLINGTON PARTNERSHIP

The Greater Burlington Convention & Visitors Bureau is thrilled to announce the launch of the Destination Greater Burlington grant. Starting in 2025, this new grant will award up to \$25,000 to projects and events that significantly promote tourism or enhance the tourism experience in the Greater Burlington area. The Destination Greater Burlington grant replaces the previous Grow Your Event grant, reflecting the CVB's commitment to fostering innovative and impactful tourism initiatives.

The Destination Greater Burlington grant is designed to support a wide range of projects, from large-scale events that attract visitors from outside the region to smaller, community-focused initiatives that enhance the overall visitor experience. By providing substantial financial support, the CVB hopes to inspire creativity and encourage the development of projects that showcase the unique charm and attractions of Greater Burlington.

Eligible applicants include non-profit organizations, event planners, community groups, and Greater Burlington residents with a vision for promoting tourism in Greater Burlington. The grant seeks to fund initiatives that will drive visitor traffic, increase overnight stays, and contribute to the local economy. Projects that enhance the experience of current

visitors, and thus foster the desire to return to Greater Burlington, will be considered alongside those that demonstrate a clear plan for attracting out-of-town guests and enriching the tourism landscape.

Awards may be divided between multiple deserving applications or granted to a single project.

The Greater Burlington CVB is excited about the potential of the Destination Greater Burlington grant to stimulate tourism growth and enhance the visitor experience. This grant represents the continued investment in the future of Greater Burlington's tourism industry, and the CVB looks forward to supporting innovative projects that will contribute to the region's vibrant tourism landscape.

Applications for the Destination Greater Burlington will be available online beginning August 1.
