PRESIDENT & CEO'S LETTER

The NEW GreaterBurlington.com

by Della Schmidt

Thousands of people a month turn to GreaterBurlington.com to find information about member businesses, Partnership news, and what's going on in the community. It just got a whole lot better – welcome to the NEW GreaterBurlington.com.

Retooled, revamped, and newly launched, GreaterBurlington.com is mobile-friendly, easy & intuitive, and features enhanced visuals and a better user experience. New landing pages Living Here, Working Here, Playing Here, and Building Business Here invite greater interaction and calls to action.

- **Job Posting:** Located in the Job Seekers section of the Workforce portal, this module will allow businesses to post job openings to area workers.
- **Internship Posting:** Located in the Student Opportunities & Programs section of the Workforce portal, this module will allow businesses to post internship openings for regional students to peruse.
- **Commercial Space & Residential Openings:** These modules will allow Chamber members to post open commercial spaces to potential business owners and residential openings to community members looking for a home.
- **Hot Deals/Coupons:** Like a local Groupon without the fee, this module will allow member businesses to share hot deals or coupons with interested shoppers.

The plan for each of these modules is to be more than just another section of the new website. Each can be a valuable tool for not only your business, but the community. Once members begin to populate each section with data, the Partnership will begin marketing each page throughout the region in on-going campaigns.

This is just the beginning of what this new website is designed to deliver for Greater Burlington. Enhanced tourism experience, greater workforce development tools, more visibility for local businesses – this is GreaterBurlington.com. Check it out today.

DOWNTOWN TIGER GRANT PROGRESS REPORT

The City of Burlington was awarded a \$17.5 million Transportation Investment Generating Economic Recovery Grant in 2018, using the money to revamp the Riverfront and Main and Jefferson streets in the Downtown District due to the flood mitigation and sewer separation project.

Portzen Construction, Inc. has finished work on the 800 block of Jefferson Street for the winter. If weather is favorable, Portzen will resume on the 800 block of Jefferson on March 7. On the riverfront, boat ramps are being poured and will continue work through the winter. Water main and sanitary sewer connection is taking place in the parking lot of Memorial Auditorium and on the North side of the Port.

GREATER BURLINGTON MURALS

**Wall of Jennison Building
410 N Main Street**

The Greater Burlington Leadership class has chosen a community project to display our history and welcome everyone into the community, "Greater Burlington Murals: Embracing our Past While Painting Our Future." Art creates community engagement, a sense of place and promotes growth in the area.

The Greater Burlington Leadership Class would like to offer the opportunity for area businesses to get involved with the Greater Burlington Mural project by becoming a sponsor. We want to partner with all interested businesses.

The health and viability of a community is intertwined with the health and vitality of its public school. YP SPOTLIGHT Lynnae Hillyer

Employer: Carl A. Nelson & Company

YP Member: 6 years

Why did you join YP? I joined YP to learn more about my community and to meet new people.

Which community organizations/events do you volunteer for? I volunteer for the Optimist Club of Burlington/West Burlington and the Benevolent Protective Order of Elks.

Do you hold leadership positions with any of the above organizations? Currently, I hold two positions with the Iowa District Optimists. I am the Lieutenant Governor for Southeast Iowa as well as the Secretary/Treasurer elect. I also serve as the auditor for the Southeast Iowa District Elks. In my local Optimist club I head our Coats for Kids Program, Optimist Santa Program, and Co-Chair Avenue of Flags. I enjoy taking part in providing these awesome programs to benefit the Burlington area youth.

What do you enjoy most about Greater Burlington? I enjoy all of the different opportunities that the Greater Burlington area has to offer. We enjoy walking and shopping in downtown, visiting our local parks, and attending events. I grew up in Burlington and enjoyed watching Bees baseball and continue the tradition with my kids.

Share one thing about yourself that makes you stand out from other YP members. I really enjoy giving back to the community. Joining the Optimist Club has allowed me to give back more to our community. In the past few years I have also been able to obtain a few grants that have enabled me to increase the impact that Coats for Kids and Optimist Santa have in our community. I also look forward to continuing these programs in future years!
